**FISCAL NOTE**

**HB 143**

January 26, 2021

**SUMMARY OF BILL:** Removes the requirement that the significant variance established by the Department of Human Services (DHS) provide a lower threshold for low income persons, for the purpose of determining whether a modification of a child support order is warranted.

Authorizes DHS to review and seek an adjustment to Title IV-D child support obligations upon becoming aware of a change in circumstances of either interested party.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumption:

- The proposed legislation will require changes to the DHS Child Support Division's policies and procedures. However, those changes will not require additional resources. As such, any fiscal impact to state government is estimated to be not significant.
